

[First POCACITO Case Study Training](#) [1]

[2]

22 September 2014 - 5:15pm
Ecologic Institute

The POCACITO project held its first case study training meeting at the Ecologic Institute in Berlin on September 10th, kickstarting deeper investigation into the case study component of the project. The participants focused on the scenario process, vision building and backcasting among other activities. This initial success marks a step in the right direction in the development of the project.
