In an effort to better involve more areas of Europe in the European Institute of Innovation and Technology's (EIT) Regional Innovation Scheme, Climate-KIC has invited seven Portuguese clean-tech start-ups to be a part of their Climate-KIC Accelerator. This proved to be very successful. To continue to build off of this success, Climate-KIC has recently participated in several meetings in the Portuguese municipalities of Oporto, Aviero, Vila real and Lisbon to discuss their collaboration with the view of strengthening ties in 2015.
